Creating a people friendly city

The Free Tiger Bus is one of several initiatives Launceston City Council is introducing as part of our Sustainable Transport Strategy.

The short 'Tiger Run' at the beginning and end of the working day will make it easy and affordable for people commuting to park at Inveresk and catch the bus to and from the CBD.

The 'Tiger Explorer' provides families, shoppers and visitors easy access to the CBD, Prince's Square, Launceston General Hospital, Launceston Aquatic and City Park.

This will reduce the amount of traffic and free up more short term car parking spaces in the CBD for those that really need it.
