- The header shows the location of your bus stop.
- Most suburban stop timetables are split by bus route. Each column is dedicated to a separate route which services your stop.
- Simplified route diagrams show the direction of travel. The green bubble indicates the route segment your stop is located in. Destinations listed above the bubble have already been serviced by the bus, destinations listed below are those available from your stop.
- The approximate travel time of each route segment is shown e.g. Route 650 Mornington to Warrane 2 minutes, Mornington to Hobart total 26 minutes.
- Arrival times are split by hour and minute. The hour is shown in bold at left and minutes past that hour are shown at right. For example 9 01, 32, 57 indicates buses at 9:01, 9:32 and 9:57.
- Bold letters next to a time indicate a specific journey note which can be found under the *Explanations* heading.
- Supplementary notes are shown towards the base of the display.

### Bus Departure Times

Please note all times are approximate only and may vary due to traffic conditions.

### Wheelchair Accessible Services

A number of Metro's bus services are operated by wheelchair accessible buses. Please call 13 22 01 to confirm whether an accessible bus is being used on a particular service.
