## Metro Fare Tables

Use these tables to work out the number of zones you will need to purchase a ticket for. You can find your departure location in the regional listing on the left hand side of each table, and then refer to the destination listing shown above each column.

The number shown in each box is the number of zones you will have to pay for. Prices for zones are shown in the fare tables above each region.

For example; a journey from **Woodbridge** to **Snug** is as shown below. You will be required to pay a 2 zone fare.
