

Welcome Aboard Metro

This guide will enable you to understand and plan a bus journey using the comprehensive northern Hobart bus network operated by **Metro Tasmania**. Our services can form part of your daily travel requirements and we are committed to providing you with the best possible bus services to get you around.

The map on page 3 shows all services operating in our regular bus network and are colour coded for easy reference. The large numbers around the map are the route numbers shown on the front of the bus.

Departure times for these services, along with information about additional dedicated school buses, can be found by obtaining a copy of our timetables by calling **13 22 01** or visiting www.metrotas.com.au

Metro Tickets

Travel on **Metro** buses is based on the number of sections you travel. A full list of fares is displayed at the front of the bus. If you are travelling on a concession fare please ensure you show the appropriate concession entitlement when boarding.

A **Greencard** is like a debit card; you top it up with travel credit on any **Metro** bus (cash only), online or at a **Metro** agent. When you board a bus the cost of the trip is deducted from your balance. Get your **Greencard** today by applying online, posting a paper application form or from your local **Metro** agent.

For more information about fares and ticket types, including details about section zones in the northern Hobart area, call **13 22 01** or visit www.metrotas.com.au
